

General

1. What is bank muscat Mobile Banking?

Mobile banking (mBanking) is a facility provided to you by bank muscat to help you bank with us anytime, anywhere. The service is available 24/7, 365 days a year. This application provides you the convenience of banking without having to visit our branches or worry about branch timings.

You can access your account details, make credit card and utility bill payments and transfer funds instantly at your convenience, using your mobile phone.

2. How secure is this application?

bank muscat Mobile Banking service is highly secure. The application does not store any sensitive information or transaction logs on the phone; which makes your bank mBanking experience totally secure. Apart from this, there are other robust security features built into the application. Data exchange from this application is encrypted based on best industry standards and dual factor authentication, making the mBanking service a trusted application.

3. How much will it cost me?

The bank muscat Mobile Banking application is free of cost. The only cost that applies to you is the network usage levied upon you by your telecom service provider.

4. How do I know if my phone is compatible?

Application based Mobile Banking is supported by most of the browser enabled phones. All you need to ensure is the availability of an active 3G, 4G, 5G/ WIFI/ Edge connection.

5. Can I change my KYC details within the Mobile Banking App?

Yes, active users of the Mobile Banking application have the option to raise a service request to update their email id, mailing address and much more.

6. Can I do a recharge from Mobile Banking for my phone as well as my friend's phone?

Yes, you can register and do a mobile Top up transaction for any Ooredoo, Omantel or Renna/Red Bull mobile by going to the Bill Payments option.

7. Can I apply Term Deposit using bank muscat Mobile Banking?

Yes, you can apply for Term Deposit services request using the Mobile banking Application.

8. What if I have more enquiries on the bank muscat Mobile Banking application?

If you have additional enquiries on the bank muscat Mobile Banking facility, you may contact us at our call centre 24/7 on 24795555 or logon to our website www.bankmuscat.com.

Access, Registration and Activation

1. How do I download / access the Mobile Banking application?

Downloading and Using the Mobile Banking Application is easy.

- iPhone users can download the application free from the **Apple iTunes Store**.
- For Android users and Huawei, the application is available through the **Android Market (Google Play) & Huawei Market (App Gallery)**.

2. How do I Register for bank muscat Mobile Banking?

Select the "Registration for New User" option and input the following information:

1. ATM/Debit Card number
2. Mobile Number registered with the bank
3. Enter the Activation Code that will be sent to your phone
4. Enter your ATM pin number
5. Accept Terms & Conditions
6. Enter OTP
7. Registration is now completed and a confirmation message of a successful registration will be received

*Please Note - the registration is only allowed with the mobile number registered with the bank. In case you need to update the Mobile Number registered with the bank, please visit the nearest branch or update through ATM.

3. Can I use the Mobile banking application on my various mobile phones?

Registration is only allowed using the mobile number registered with the Bank. In case you need to update the mobile number registered with the bank, please visit the nearest branch or update through ATM.

4. How do I Activate / Deactivate my Biometric (touch id and face id) for logging in Mobile Banking?

You can Activate / Deactivate Biometric by following these steps:

- Access settings.
- Select " Manage Touch Id" and input your Biometric touch id / face id.
- Enter Activation Code (OTP) that will be sent to your phone.

5. Can my friend get access to his account using the bank muscat Mobile Banking application installed on my phone?

This application is highly secure and personalized and will open only with credentials as set by you for the mobile number subscribed at the time of registration (multiple users are not allowed to use single device for registration / login)

6. How do I unlock my service?

In case you have been locked out from bank muscat Mobile Banking Application:

- Select "forgot password" option
- You will be asked to enter your credentials (i.e. User ID and ATM / Debit card number)
- Post validation of your credentials, you will receive an activation code on your registered mobile number
- You can then create your new password

You can also contact our Call Center on 2479 5555 to unlock your service.

7. What if I change my phone or if I lost my phone?

Please contact our Call Center on 2479 5555. We will deactivate your subscription, and you can then activate the same service by following the activation steps.

Activation Steps:

1. Select the "New Phone" option
2. Enter your primary mobile number and ATM/Debit Card number with PIN
3. Post validation of user credentials, you will receive an OTP (one time password) on your registered mobile number
4. You will then receive the confirmation of successful activation on your phone

8. What happens if I permanently change my SIM card?

There is no impact when changing your sim card as long as the mobile number remains the same.

If the phone number will change however, you will then need to either change the number using a bank muscat ATM or visit the branch.

9. In case the existing SIM is damaged, what happens if the SIM is changed for the same mobile?

Changing your SIM card with the same mobile number will not disrupt access to Mobile Banking service.

10. Can I access bank muscat Mobile Banking outside Oman?

You can use bank muscat Mobile Banking application from any location that is supported by your service provider

Once you respond to the offer, MB home screen will be displayed.

4. What will happen if you accept the offer on the offer page?

A bank representative will contact you soon to initiate the process further. The accepted offer will disappear from the offer page.

5. What will happen if you reject the offer on offer page?

Your response will be captured. The offer will then disappear from the offer page.

6. What will happen to the offers if the application fails /before executing the application?

Your offers will remain on the offer page if they have not been accepted/rejected before coming out of the application. Once you log in again you will be shown the offers once again.

7. Will you get an offer for sure in case the same is accepted?

Your offers are customized based on certain parameters. These will be reassessed while giving the product. In case the eligibility criteria is being met you will get the offered product. The offered limit/amount may change at the time of final disbursement based on the bank's policy.

8. Will you get an offer again in case you reject an existing offer?

Your offers are customised based on certain parameters. These will be reassessed periodically by the Bank. In case you reject an offer, the offer will disappear from the offer page immediately.

You may get a similar offer in future in case you are eligible based on the Bank policies.

9. You rejected an offer by mistake and want to apply for the product.

Please use the apply product menu on Mobile Banking and apply for a product by submitting your details

Alternatively you can call Bank Muscat Call Centre on +968-24795555 and apply for a Product

10. You accepted an offer by mistake and now you want to apply for another product.

You can let the Bank representative know that you are no longer interested in the product that you applied for but another Bank product.

The Bank representative will note your interest and you will be contacted soon.
